“70” PANTHERIAN

“The Door of the Future”—what will it hold? What will be the future for our Seniors, who must go out into the world? What will be the future for our teachers and our underclassmen who will stay and witness future Saegertown High School accomplishments and downfalls in sports, in scholastic achievement, and in extracurricular activities? The Pantherian cannot predict the future, but it can capture the moments of the past. It is therefore this yearbook staff's wish that as you turn the pages of the Pantherian, you will recall some memorable experiences at Saegertown High School, school year 1969-70.

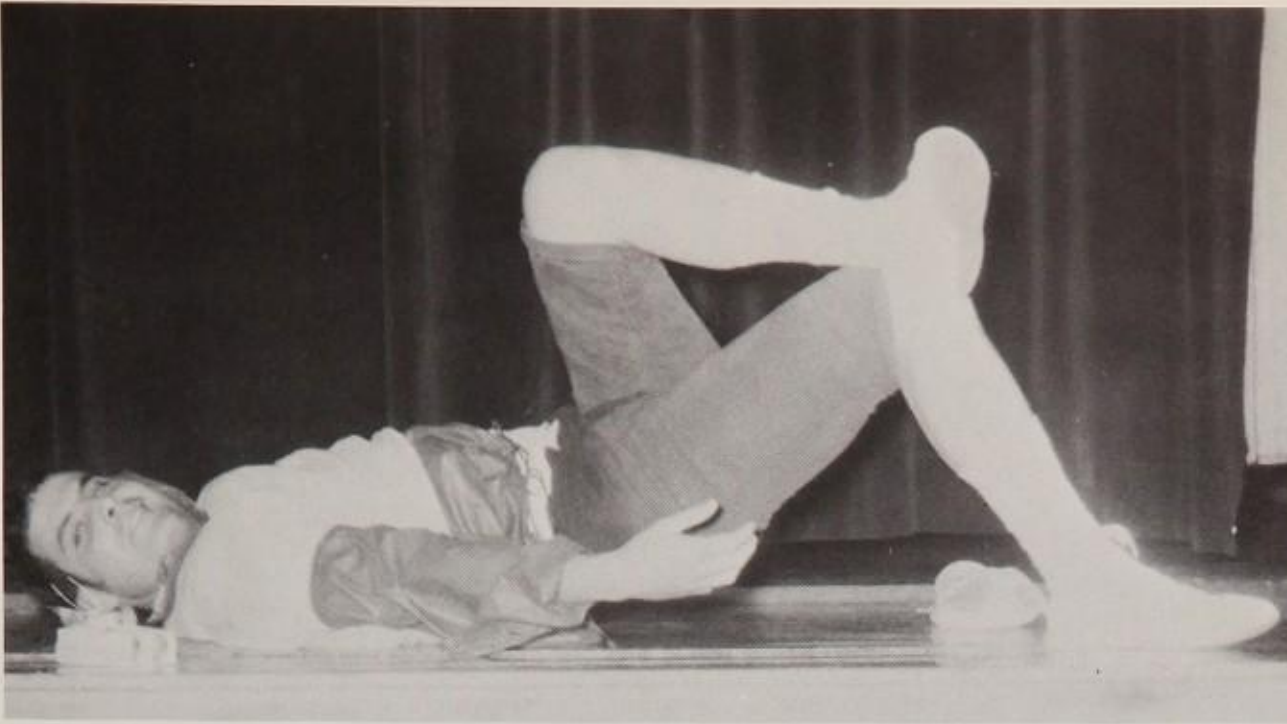

Sincerely,
 Carolyn Muma

Hawaiian Heaven

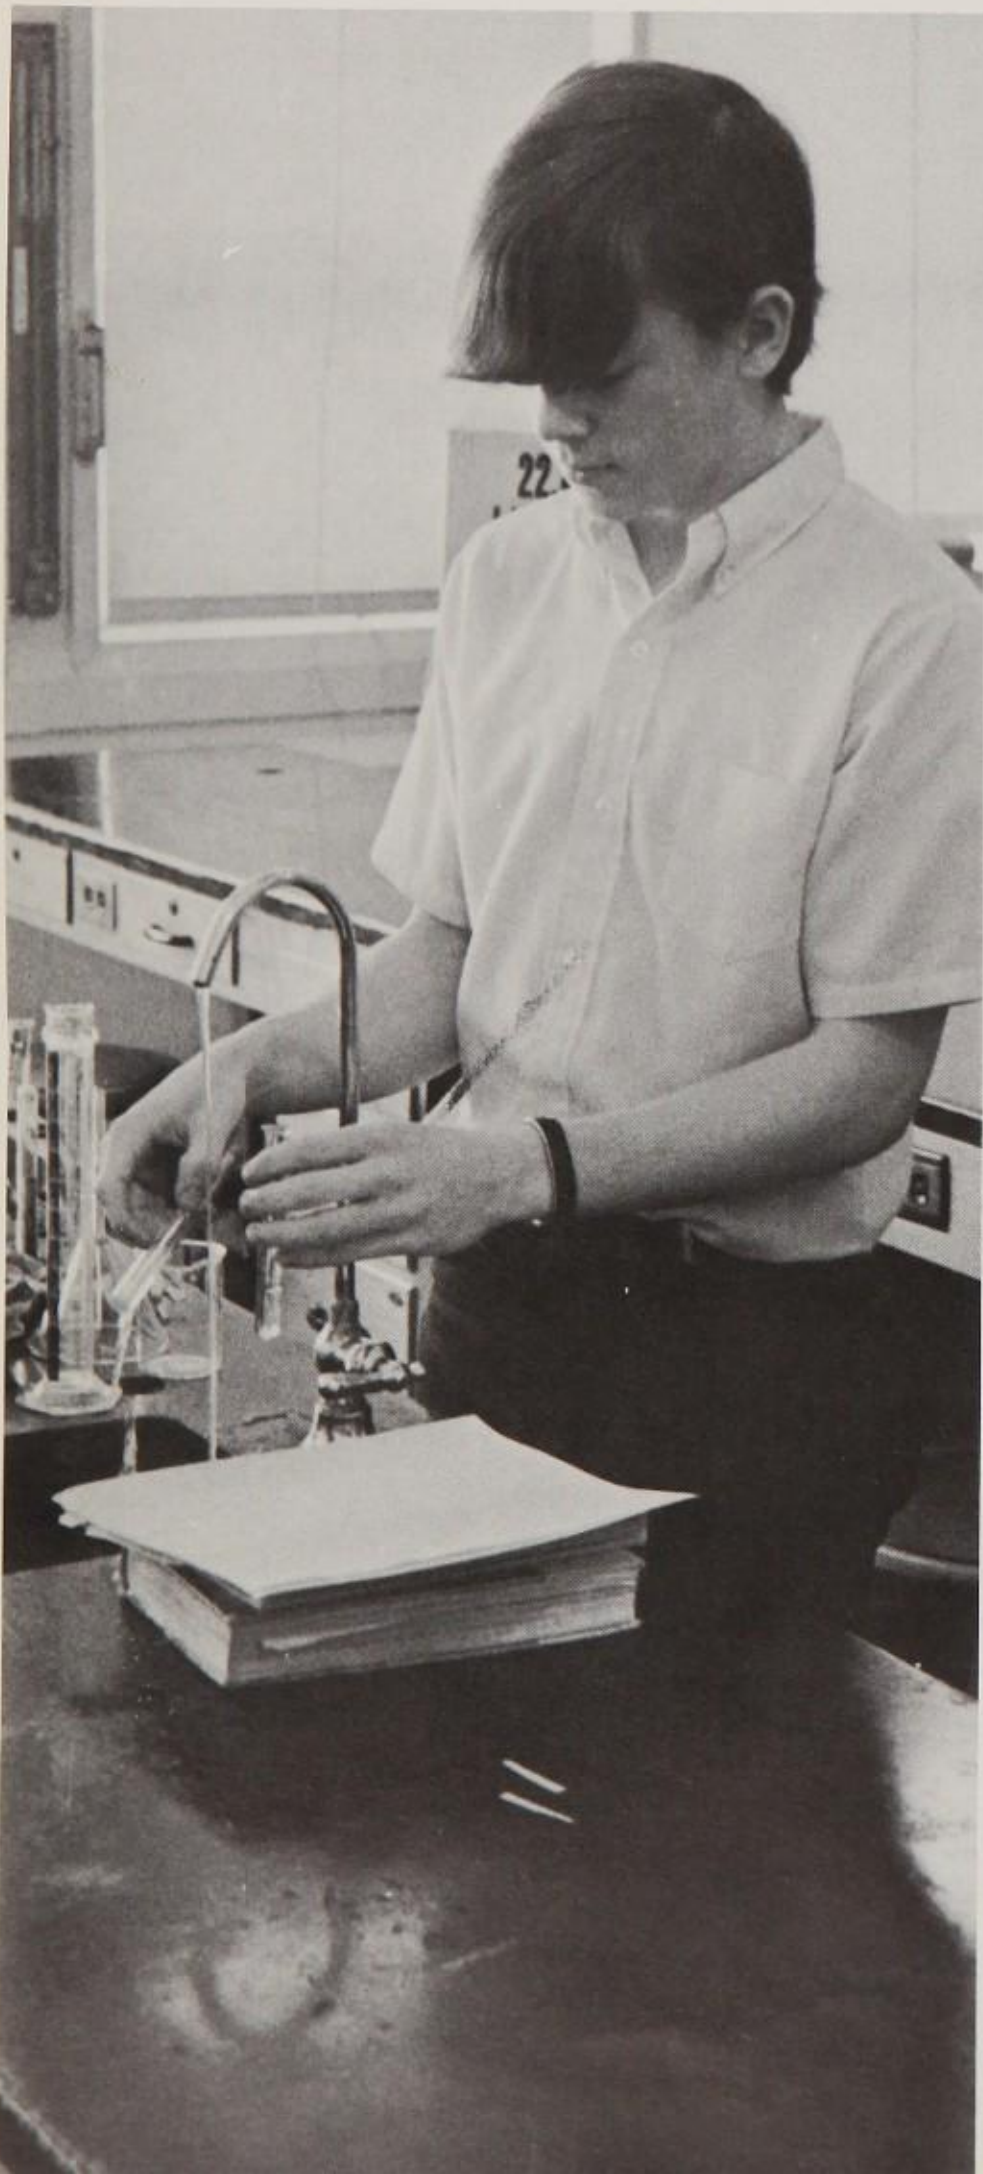

King Bill Holden and Queen Patricia Muma

PROM

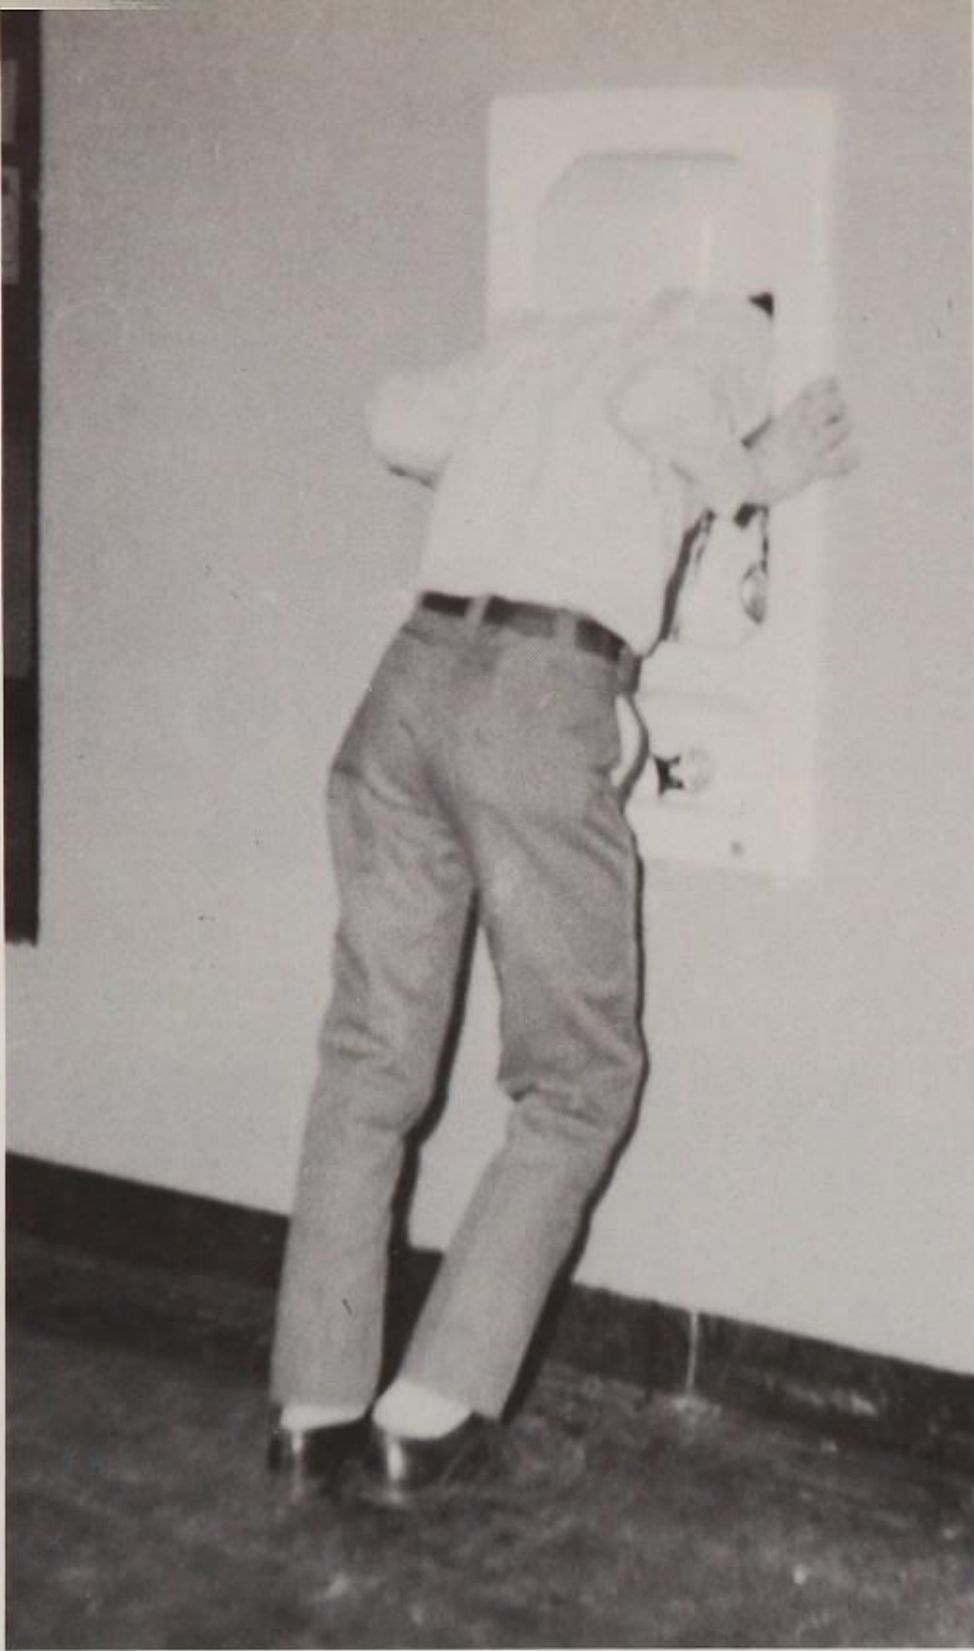

"Hawaiian Heaven" was the title of the 1969 Prom which was held at the Holiday Inn in Meadville Pa. A huge volcano accented the background with many brilliant colors. A king and queen were chosen from the seniors present by the faculty. The reigning queen and king were Pat Muma and Bill Holden. The evening was a big success and not soon forgotten.

FOREIGN STUDENT EXCHANGE

The International Fellowship is an organization that sponsors the exchange of students among various member countries. The exchange may be for three, six, or nine months. The principal countries involved are the United States, Australia, Hawaii, and most of the Latin and South American countries. This is the first year that Saegertown has participated in this program. Several other county schools have been successfully using this program. The purpose of the organization is to foster good relationships between those countries involved. By living with a family, the student is able to see first-hand the way of life in the United States. It is a very valuable opportunity to learn the language, and to become familiar with the customs and the people.

MARILY'S HOST FAMILY: Seated in front: Marily, Brenda, Jo Anne. Standing: Rick, Mr. Baker, Mrs. Baker, Bob.

Mr. and Mrs. Claramunt

This year we have been fortunate enough to have an exchange student from South America in our school. Her name is Marily Claramunt. She arrived at about 6:00 p.m., January 8, at Pittsburgh airport, and is residing with the Richard D. Baker family. Marily is eighteen years old, and has spent most of her life in and around the area of her native Concepción, Chile. Her family in Chile consists of her mother, Alicia, her father Raúl, her sister, Marie del Carmen, and her brother, Raúlito.

Interestingly, Marily and Maricarmen share the same birthday. Marily was born Oct. 19, 1951, and her sister was born on Oct. 19, 1954. The youngest member of the family, Raúlito, is ten years old. He has red hair and has been nicknamed "Diablo" (the devil) by his family. Marily's education includes eleven years at the "Liceo Experimental", (experimental school). In this school all of the subjects are required. Some of the subjects she has taken are psychology, English, French, music, art, home ec., gym, literature, grammar, history, civics, biology, chemistry, math, physics, geography, and sociology.

Marily plans to study at the University of Concepción, a very modern university. At this time she does not know what she will study.

The P.A.C.E. Guidance Program is a new development at Saegertown High School this year. The program was developed and coordinated through the Title III, ESEA Office, Erie, Pa., to help all interested sophomores to gain more insight into the world of work than is normally possible. P.A.C.E. also helps the student to learn the importance of proper choice in selecting an institution of higher learning that will provide training necessary for his chosen vocation. Another objective is to help the student to develop more knowledge of his present vocational interest.

These objectives are achieved in many ways, such as visiting industries and educational institutions. Counseling is available to the students and their parents, and students may listen and speak to members of the trade field in which he is interested.

The project at Saegertown this year was co-ordinated by Mr. Art Sandy, Erie, Pa., P.A.C.E. office, and by Mr. Harold Osborne and Mr. Richard Baker, faculty members of our school.

Evaluation Committee

FEBRUARY 10-11-12, 1970

On February 10, 11, & 12, 1970 Saegertown Area High School was evaluated by a committee of faculty members chosen by the Middle States Association. Schools are accredited every ten years by evaluation committees. The purpose of the evaluation staff was to analyze our school, by pointing out the strengths and weaknesses of the school's programs. The recognition of educational problems by the evaluation committee gives help and direction towards finding solutions to our problems. In studying our school, the committee members spoke with the faculty and the students, in both groups and individually. All members of the high school were very cooperative.

Accreditation of the secondary school by the Middle States Association is not only helpful in finding solutions for the schools problems, but it also benefits students applying for college admissions.

Ground Breaking Ceremonies—November 7, 1969

... our new high school begins

On November 7, 1969, an audience of well over a thousand stood outdoors on the school site to witness a groundbreaking ceremony for the Saegertown Area's \$3¼ million High School.

The entire student body and faculty of the High School were bussed to the site to witness the event.

Among the celebrities who participated in the ceremony were: A. R. Moon, Superintendent of County schools; Representative David Hayes, Fifth House District; George J. Davey, Supervising Principal; Harold Wood, School Board President; a Representative of the Dick Corporation; Pittsburgh Construction Company; Reverend William Claney, a former School Board Member, gave the invocation; Mr. Robert Smock, Representative of the School Board, presented the gold plated shovel to Mr. Wood who turned over the first shovelful of ground. Miss Beverly Schnarrs, Student Council President, presided over the ceremony.

Others who were platform guests and speakers were: Carl J. Maurana, Assistant to the Supervising Principal; Mr. Heiges, Representing the Hunter and Heiges Architectural Firm and a Representative of the State School Building Authority was also in attendance. Construction of the school has begun and will be completed for the 1971-72 school year.

Richard with Mr. and Mrs. Hazen.

Richard

This year a boy from Germany is staying with the Hazen family. Richard comes from Darmstadt, Germany. Mrs. Spengler knew Mr. Hazen during W.W.II. Many of the people think he is an exchange student, but he is just visiting the U.S.

The population of Darmstadt is 160,000. He doesn't really like Saegertown because he said there is nothing to do.

Richard has two sisters. Gabi is thirteen and Brigitte is twelve. His father is a traveling salesman and his mother works for the church.

This is Richard's last year of school. Next year he hopes to go to a police academy.

He enjoys playing soccer, shooting pool and pinball machines.

Richard said that many American people live in Germany. He stated that there is a city in Germany in which all American people live.

Richard said there are a few differences between Germany and the U.S. In Germany the people eat four meals a day. He said the cars are larger here. And he likes the American cigarettes much better.

He will be leaving us in June or July. His mother will be coming in April for a visit. He wants to visit the U.S. again in a few years.

As practice overtook the football candidates this August, many people were a bit pessimistic on the outcome of the upcoming season. The Panthers seemed to have a slow start as they tried to work the "greenness" out of themselves. This "greenness," it was thought, would upend any hopes for a victorious year. Then it happened! In the first game, the Panthers, though plagued by fumbles, interceptions, and bad timing, pulled a 6-0 win over Union City. That's all it took! From then on spirit and determination sent the Panthers straight uphill to a 6-2 overall record. This gave us a hand on the championship. It is also noted that Saegertown scored more points than any other team in our league and also had the least points scored against us.

Now people are looking toward next year and wondering if the future team can match up with this year's. Well the Panthers of '70-'71 are coming back with ten lettermen to run the team. They're going to be rough and with just a bit of luck should bring home another trophy for S.H.S.

Homecoming '69

The 1969 Homecoming was filled with much excitement and suspense. Then the day came, five girls from the senior class were chosen as finalists. They were Barb Hopper, Judy Boyd, Susie Wood, Carol Humes, and Kathy Swinkola. On October 3rd, at an assembly, the queen was announced. The queen was Susie Wood, better known by everyone as "Woodie". The student body cheered loudly as the queen was announced. It was a very proud moment as tears filled our queen's eyes. That night we played Townville and topped the 1969 Homecoming off with a victory!

Senior Matmen

"Do it again!"

Susie Humes, Judy Groves, Therese Cornelius, Cindy Archacki.

When the 1969-70 wrestling season came into view, many looked optimistically toward an undefeated season. The 68-69 season ended with an impressive 10-3 record and only three seniors graduated from the starting line-up. This left the team with ten regulars and three semi-regulars totaling thirteen returning lettermen. The outlook became even better as the Panthers fought and won their pre-season scrimmages and then went on to take their first two matches. Then the dam broke before the grapplers. Lack of a heavyweight brought on their first defeat. Then tragedy struck again as Al Price, top contender at 138, was forced to drop his thus far undefeated career short with a broken leg. From this point on, the Panther matmen saw few contests in which they entered with a full squad. Sickness and injuries were a plague and the Panthers ended their season with a meek 6-8 record.

Though the Panther grapplers didn't prove themselves too well as a team, they did have several outstanding boys.

Kneeling: Ike Williams, Jim Braymer; runner-ups. Standing: Don Scott, Terry Mulligan; section champs.

During the 1970 section tournament, held at Conneaut Lake High School, Saegertown had two winners and two runners-up. The section champs were Terry Mulligan and Don Scott. The runners-up were Jim Braymer and Ike Williams. Don and Terry both became District 10 Champions and earned the right to compete in the regional tournament at Altoona.

"What are you fellows doing down there?"

"Oh Terry, you big silly!"

Golf

The 1968-69 S.H.S. golf team was undefeated in league play, becoming the Crawford County League champs for the second consecutive year. Over twenty boys tried out for the golf team in 1969. Out of those many who tried out, eight were chosen. The starters for the undefeated Panthers were Ted Wilson, Bruce Curry, Rick Edwards, Mike Stone, all of which are seniors, and Gus Darcangelo and Phil Heymann who are juniors. Gus and Phil will be our two returning lettermen for the year of 1970. The substitutes for the team were: Don Saul, senior, and Ken Firer, freshman. Saegertown placed four of their golfers in the top six in county league golf competition. Ted Wilson took second place, Gus Darcangelo, fourth place, Rick Edwards, fifth place, and Bruce Curry, sixth place. The home course for the golf team is the Meadville Country Club.

GIRLS VOLLEYBALL: The team this year consisted of, from left to right: D. Hess, A. Maurana, M. Mercier, R. Schmalzried, C. Humes, C. Sundback, S. Adsit, B. Beatty. Second row: P. Dillinger, J. The "Panther" Band

All eager and anxious, the 75 members of the Panther Marching Band started practice early in the summer. After many hours of drilling and putting shows together, the band began competing in many parades and shows. They participated in the Fireman's Festival at Cambridge Springs and won first place. They also participated in the Cherry Festival in North East, Pa., and won second place. Another highlight was playing

for the first Allegheny College football game to open the 100th year of college football. One of the most outstanding achievements was playing for Governor Raymond Shafer at the opening of the new I-79 interstate highway in Hayfield Twp.

Many congratulations go out to our band, and to Mr. Charles Cavett, director, for a fine season and hopefully, many more to come.
